

### ABOUT ICESE 2025

2025 15th International Conference on Environmental Science and Engineering will be held during **September 19-21, 2025**, in **Yokohama, Japan**.

ICESE 2025 is to bring together innovative academics and industrial experts in the field of Environmental Science and Engineering to a common forum. The primary goal of the conference is to promote research and developmental activities in Environmental Science and Engineering. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in abroad. The conference will be held every year to make it an ideal platform for people to share views and experiences in Environmental Science and Engineering and related areas. In order to ensure the academic quality of this conference and attract more original and high-level academic papers, we are now calling for contributions. Welcome all teaching and research personnel and students to engage in environmental science and engineering for contribution.

### KEYNOTE SPEAKER

**Prof. Mikio Ishiwatari**  
The University of Tokyo, Japan

### CONTACT

Conference Secretary: Ms. Alice Lin

+86-28-88220101

[icese@ieet.ac.cn](mailto:icese@ieet.ac.cn)

[www.icese.org](http://www.icese.org)

### PUBLICATION

Accepted papers will be published into a volume of Springer Book Series – Springer Proceedings in Earth and Environmental Sciences (ISSN: 1863-5520) as book chapters. The book series is abstracted and indexed by **Scopus**.

### CALL FOR PAPER

**Topics of interest for submission include, but are not limited to:**

#### Ecosystem Management and Sustainable Development

- Global environmental change and ecosystems management
- Integrated ecosystems management
- Environmental restoration and ecological engineering

#### Water Resources Management and Water Pollution Control

- Hydrology
- Flood protection
- Integrated water resources management

#### Atmospheric science and air pollution control

- Atmospheric physics
- Meteorology
- Climate and climatic changes
- Global warming
- Ozone layer depletion

#### Solid Waste Pollution Control and Resource Utilization

- Solid waste management
- Waste minimization
- Optimization of collection systems

### IMPORTANT DATES

Submission Deadline	Before April 25, 2025
Notification	Before May 15, 2025
Registration Dealine	Before May 30, 2025
Conference Dates	September 19-21, 2025

### SUBMISSION METHOD

★ Online Submission System:

<https://confsys.ieet.org/submission/icese2025>

★ Email: [icese@ieet.ac.cn](mailto:icese@ieet.ac.cn)

### DELEGATE REGISTRATION
